Directory

Stake and ward contact information

Directory contains contact information, such as addresses and phone numbers, for members of your ward and stake. When you log into Directory, you can update your own family profile to include pictures, e-mail addresses, and phone numbers. Access to Directory requires you to sign in with your LDS Account.

1 FIND A MEMBER

When you open Directory, you see a list of members in your ward. To find a member, type his or her name in the search box, or use the scroll bar to scroll down the list and find a specific household.

2 FIND A WARD OR STAKE LEADER

You can view information about ward and stake leaders. In the sidebar, select the unit you want from the drop-down list. Then click **Ward Leaders** or **Stake Leaders**.

3 UPDATE YOUR HOUSEHOLD INFORMATION

You can update the phone, e-mail, photos, and privacy settings for your household. View your household and click **Edit Profile**. Then update the fields and privacy settings as desired.
