Before you begin
Before you begin the online process, check inside your HP LaserJet supply box for a recycling guide that contains a recycling label. They are provided free of charge in all HP LaserJet print cartridge boxes. If you have a return-and-recycling label inside your supplies box, simply follow the instructions for returning to HP, otherwise continue with the process below.
Get started
It's a simple process to print or order your free postage-paid HP LaserJet shipping materials, allowing you to send in your used HP LaserJet supplies for recycling. To avoid the need for entering your address information for future supplies recycling visits, you may sign-in at right.
Please note: HP LaserJet toner bottles are not returnable. View non-returnable supplies.
Choose your HP LaserJet supply type
» Print shipping label
» Order shipping label
» Order collection box
» Request pallet pickup for HP LaserJet cartridges (75 or more cartridges)
Other HP LaserJet consumables
Including fuser kits, transfer kits, collection kits, cleaning kits, and supplies for HP Color LaserJets
» Order shipping label
