Home Storage: “We do live in turbulent times. Often the future is unknown; therefore, it behooves us to prepare for uncertainties. ‘If ye are prepared ye shall not fear’” (President Monson). The Home Storage is a good way to help you prepare for the future. See ***providentliving.org*** for the availability and cost.

We will all face fear, experience ridicule, and meet opposition. Let us, all of us, have the courage to defy the consensus, the courage to stand for principle. Courage, not compromise, brings the smile of God’s approval. Courage becomes a living and an attractive virtue when it is regarded not only as a willingness to die manfully but also as the determination to live decently. As we move forward, striving to live as we should, we will surely receive help from the Lord and can find comfort in His words.

Thomas S. Monson
