Home Food Storage

The Home Food Storage program was organized to help the people of our ward/community prepare for an emergency. Whether it be a 12 hour power outage or a disaster that lasts a year...we all need be prepared. We have several ideas to help you.

The Relief Society has initiated a plan to help you get a "Years Food Storage for $5.00 a week". This should be enough to sustain 2 people for a year. And more if our family is lager. Some weeks you will have leftover money. Save that change in a kitty to be used for the weeks you may exceed $5.00. The item for the week is listed in the Sunday ward bulletin and in Relief Society.
