Online donations and direct deposit reimbursements

To make donations online using your bank account:

1. Log on to lds.org
2. Click on your name and select the "Donations" link in the middle column of the dropdown box
3. Click on Settings on the left side of the page

4. Scroll down to the Donation Accounts settings and add a donation account using the blue button. You can have multiple donation accounts and select between them when making donations.

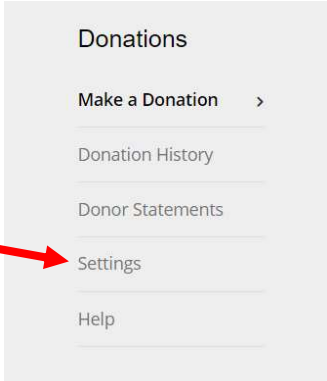

You may use a checking account or a savings account. You will need your account number and the bank routing number – please contact your bank if you don't have this information available.

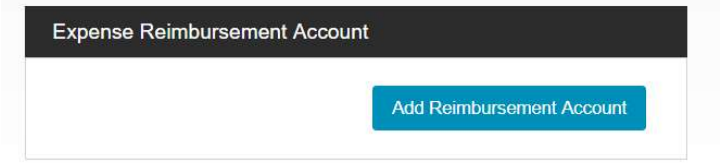

To delete an account, click on the trash can icon.

To receive reimbursements for church-related expenses via direct deposit:

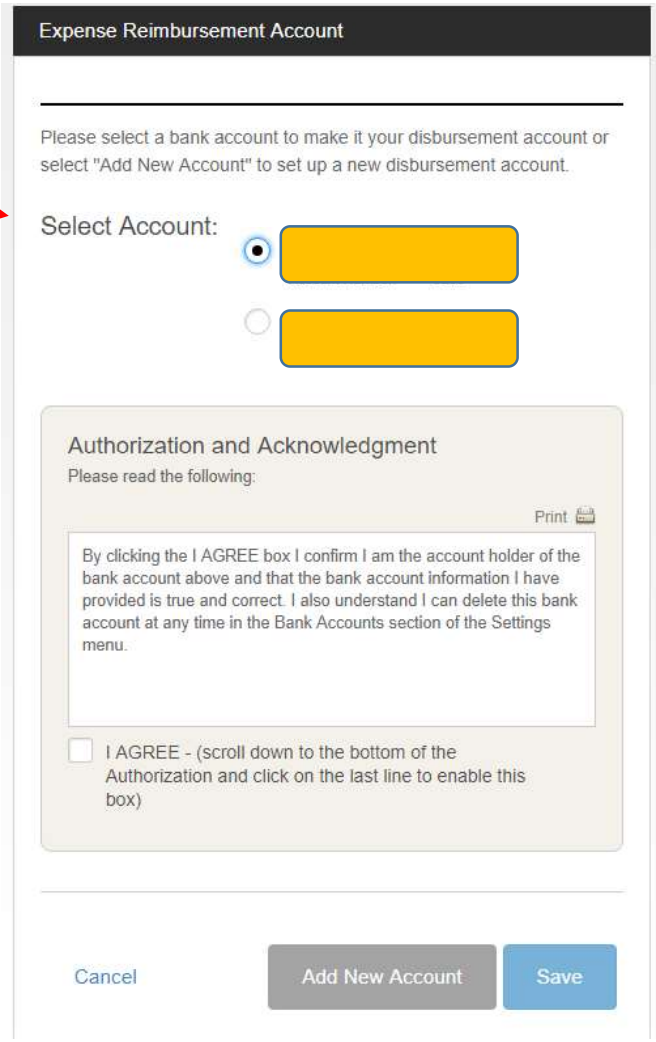

1. Log on to lds.org
2. Click on your name and select the "Donations" link in the middle column of the dropdown box
3. Click on Settings on the left side of the page

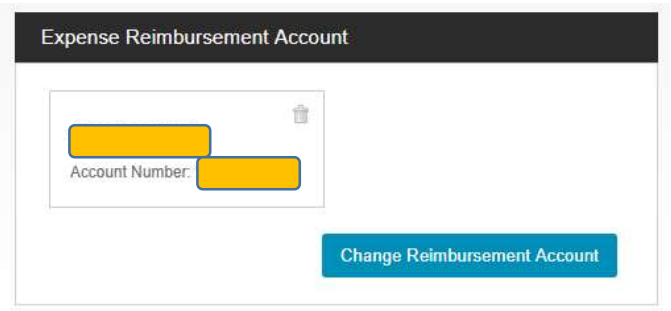

4. Scroll down and add a reimbursement account using the blue button. You can select your donation account to receive the reimbursement, or use an entirely different account.

5. Select the account you want to use or enter new account information, agree to the authorization and click the save button

The account is now set up. You can remove it by clicking on the trash can icon.

Please let the clerk know if you desire direct deposit reimbursements instead of receiving a paper check.
