Ward Notification Pager

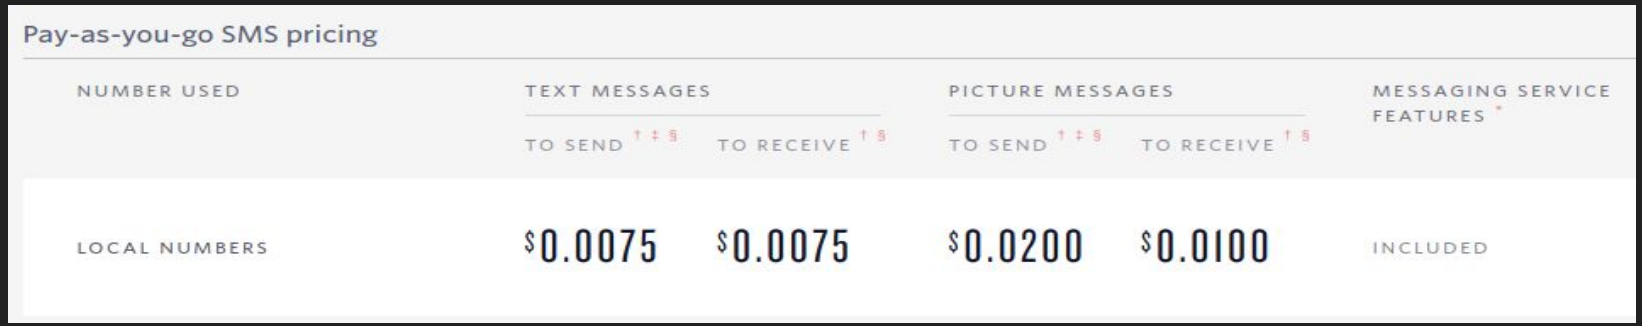

Using twilio service no notify members
Through text/sms

Attempted problems to solve in Hermosa Liahona

- Most members in our ward do not regularly check email regularly.
- Most members in our ward do not access social media regularly.
- Keeping zoom links private is can be an issue when posting on social media.
- Sending group text messages have limits on some phones
- Sending group text and replies to group can get noisy with messages
- Keeping track of phone numbers in individual phones to send messages and not in a central storage location

Twilio Service

- Online service to send text messages/ emails/ voice/ whatsapp etc..
- Requires development experience to use the take advantage of service.
- Pricing depends on usage with hard limits/funding.
- Low usage depends on message sizes.
- Virtual number which reduces significantly the amount of text messages/spam in a group text.
- Free trial to see if its worth it for usage $20

Pay-as-you-go SMS pricing

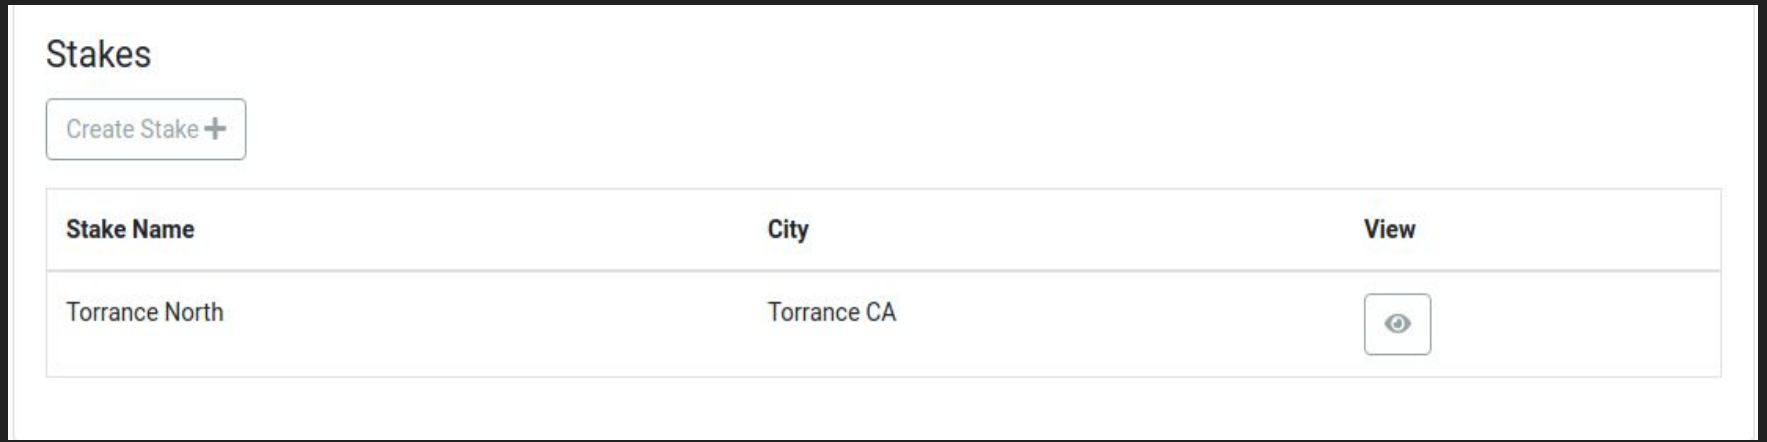

NUMBER USED	TEXT MESSAGES		PICTURE MESSAGES		MESSAGING SERVICE FEATURES *
