Title:

Do Not Contact Membership Records

Description:

Membership records should not be adjusted or coded in MLS using any method designed to show the record as DO NOT CONTACT.

“And after they had been received unto baptism, and were wrought upon and cleansed by the power of the Holy Ghost, they were numbered among the people of the church of Christ; and their names were taken, that they might be remembered and nourished by the good word of God” (Moroni 6:4).

Members that no longer wish to be contacted by the Church need to have their wants addressed with sensitivity and care. These cases should be reviewed on an individual basis by the local priesthood leader and a plan made without making adjustments to the member record.
